---

## EDUCATION

**University of California, Berkeley**, College of Environmental Design

B.A., Architecture; Minor: Sustainable Design (GPA: 3.8)

Expected Dec 2019

**College of San Mateo**, San Mateo, CA

A.A., Studio Art

May 2016

## SUMMARY

- Proficient in Rhino 3D, V-Ray, Sketchup, Adobe Photoshop, Illustrator, InDesign, MS Office
- Highly skilled at hand drawing and making presentation quality models, with experience in hand drafting (plan, section, elevation, axon, perspective)
- Studio work selected for Berkeley CED Circus 2018 and 2019
- Fluent in Mandarin Chinese

## EXPERIENCE

**Architectural Design Intern**, Synthesis Design & Architecture, Los Angeles, CA

June – Aug 2019

- Collaborated with Design Principal on design of a new five-star hotel in Beverly Hills
- Developed and produced 3D model, physical model and daily rapid prototypes
- Created site plan for a high net worth private airport/conference center outside of San Diego, CA

**Architectural Intern**, Ashley David Design, San Francisco, CA

Sept – Dec 2018

- Created a scheme for a new sustainable office space using reclaimed materials and incorporating innovative office/meeting space solutions

**Intern**, RAD Architects, Berkeley, CA

June – Aug 2018

- Assisted with measured drawings and design models for a small architectural firm
- Constructed, finished, and installed small interior concrete features including a wood stove hearth and several countertops

**Winter Extern**, Statement Architects, San Francisco, CA

Jan 2018

- Gained valuable insight into an architectural practice setting by observing interactions among contractors, architects and project managers
- Attended internal team and consultant coordination meetings and visited a construction job site

**Art Teacher**, Laurel Village Nursery School, San Francisco, CA

June 2016 – July 2017

- Designed and implemented engaging curriculum for children ages 3-6 in cooperative preschool
- Provided children with the opportunity to express themselves visually and experiment with a wide variety of materials; explained basic color theory through hands-on projects

## CAMPUS LEADERSHIP ACTIVITIES

**Admissions Ambassador**, College of Environmental Design

Aug 2018 – Present

- Lead outreach events such as tours, presentations, and panels attended by prospective students, parents and education professionals, honing interpersonal communication and presentation skills
- Act as a resource to help students make college decisions, focusing on making the College a viable option for minority and low-income students
