

**Major:** Industrial Engineering & Operationals Research

**Class of 2016 Survey Results**

The Career Center’s annual Career Destinations Survey of graduating seniors illustrates the variety of employment and graduate school choices made by students in a given major. Fields with four or less responses are not shown to protect the confidentiality of respondents.

**Employers & Job Titles** data includes full-time and part-time employment, and internships.

**Please note:** Students with multiple majors are represented in each major. For example, a double major in English and Computer Science will have responses included in both reports.

The information presented for this major includes data from **IEOR (Engineering)** and **Operations Research & Management Science (Letters & Science)**

**Department Website:** <http://ieor.berkeley.edu/academics/undergraduate>

**Results Summary**

Graduated	Responded	Percent		
40	17	43%
