

What Can I Do With a Major In...?

Major: Industrial Engineering & Operationals Research

Class of 2017 Survey Results

The Career Center's annual Career Destinations Survey of graduating seniors illustrates the variety of employment and graduate school choices made by students in a given major. Fields with four or less responses are not shown to protect the confidentiality of respondents.

Employers & Job Titles data includes full-time and part-time employment, and internships.

Please note: Students with multiple majors are represented in each major. For example, a double major in English and Computer Science will have responses included in both reports.

The information presented for this major includes data from **IEOR (Engineering)** and **Operations Research & Management Science (Letters & Science)**
