

What Can I Do With a Major In...?

Major: Ethnic Studies

Class of 2018 Survey Results

The Career Center's annual Career Destinations Survey of graduating seniors illustrates the variety of employment and graduate school choices made by students in a given major. Fields with four or less responses are not shown to protect the confidentiality of respondents.

Employers & Job Titles data includes full-time employment and internships.

Please note: Students with multiple majors are represented in each major. For example, a double major in English and Computer Science will have responses included in both reports.

The information here represents combined data for students majoring in Asian American and Asian Diaspora Studies, Chicana and Latinx Studies, Native American Studies and Comparative Ethnic Studies.
