

A partnership program, in collaboration with the Career Center and the LEAD Center, that connects UC Berkeley student organizations with employers through career and professional development events.

**Connect with key student organizations.**

From over 1,200 student organizations on campus, we have 29 organizations as partners and collaborators.

**Receive prompt and professional responses.**

Student organization partners are required to respond to employer inquiries within 2 business days.

**Build your campus brand.**

Co-host career and professional development workshops. Promote upcoming recruitment activities with student leaders.
